United States Mint Releases First 2019 America the Beautiful Quarters® Program Coin on February 4

January 31, 2019

WASHINGTON – The United States Mint (Mint) will release the America the Beautiful quarter honoring Lowell National Historical Park in Massachusetts on February 4 at noon EST.

The reverse (tails) design honors Lowell's role in the Industrial Revolution. The design depicts a mill girl working at a power loom with its prominent circular bobbin battery. A view of Lowell, including the Boott Mill clock tower, is seen through the window. Inscriptions are "LOWELL," "MASSACHUSETTS," "2019," and "E PLURIBUS UNUM." The obverse (heads) design features a restored 1932 portrait of George Washington by John Flanagan. Inscriptions are "UNITED STATES OF AMERICA," "LIBERTY," "IN GOD WE TRUST," and "QUARTER DOLLAR."

The new quarter is packaged in the following product options:
